### A WORD FROM THE MAYORESSE

As mentioned previously, you will find below the 2026 budget forecasts, as well as the three-year capital expenditures plan, both of which were adopted on December 15.

An interesting point to note: despite the addition of four new services, the payroll has decreased by \$13,200 compared to 2025, a performance largely attributable to intermunicipal sharing of resources.

Once again, the percentage increase stands at 2.9%, for a tax rate of 4.278 per \$100 of assessed value. For your information, tax bills will be sent out at the end of the month.

## CULTURE AND TOURISM

**More Than One Hundred Years of Quebec Cinema**  
Are you interested in Quebec cinema? Here’s something to delight you. The course “*More Than One Hundred Years of Quebec Cinema*,” offered by the Université du troisième âge (UTA) of the Université de Sherbrooke and taught by Michel Coulombe, will be held in Mondays in the Town Council Chamber from March 9 to 30. It then opened up to the world in the 2000s.

- **Dates:** Mondays through March 9 to 30
- **Time:** 1:30 p.m. to 4:00 p.m.
- **Location:** City Hall, 2 Place de l’Hôtel-de-Ville (2nd floor – not accessible to people with reduced mobility)
